 Reference Bullet	Refer to another page or resource for additional information.
<u><i>Underlined and Italicized</i></u>	Name of a screen.

## Juvenile Information Button

From the *Juvenile Information* screen, you can access the juvenile number, Social Security Number, last name, first name, middle initial (if provided), date of birth, age, race/ethnicity, residence information, gender, and an image (if available).

The *Juvenile Information* screen consists of eight tabs with additional juvenile information, such as the *Info/Face Sheet*, *Alias*, *Case Workers*, *ID Marks*, *Detention Info*, *Alerts*, *Family*, and *Access Log*.

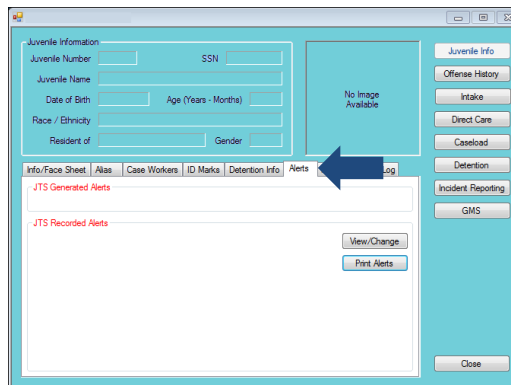

- The **Juvenile Information** at the top of the screen cannot be edited.

## Alerts Tab

When the *Juvenile Information* screen opens, the *Alerts* tab will be displayed. This tab shows the **JTS Generated Alerts** and **JTS Recorded Alerts**, along with a description for each alert.

- The *Alerts* tab can also be accessed by clicking on the **Alert! Info** button found on various BADGE screens.

- The **Alert! Info** button will be **red** if the juvenile has documented alerts.

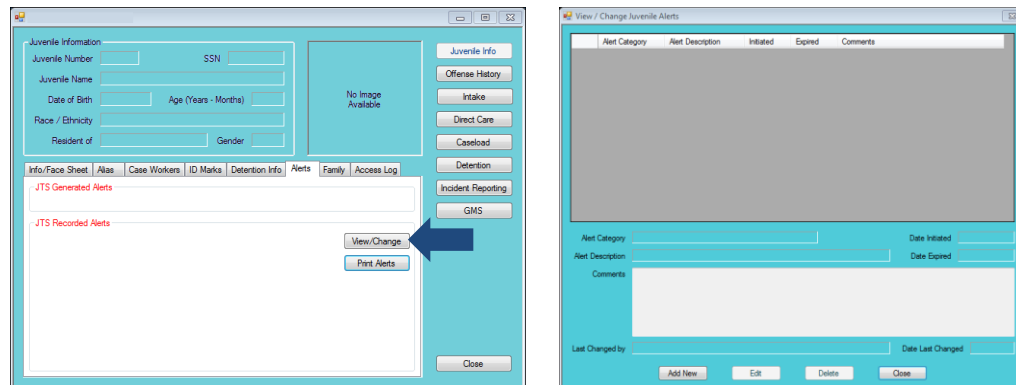

- If the juvenile does not have any alerts, DO NOT put in an alert stating the juvenile has no alerts.

### Information Found Under the Alerts Tab:

- **JTS Generated Alerts** are automated alerts created by BADGE based on case-specific information that has been recorded in the system. These alerts cannot be entered, edited, or deleted by the user from this screen.
- **JTS Recorded Alerts** are current or expired alerts that are manually entered by a user. A user with the appropriate privileges can expire an existing alert, even if the user did not initially create the alert.

1. **View/Change** Button

- Click the **View/Change** button to input new, edit existing, or delete **JTS Recorded Alerts**. The **View/Change Juvenile Alerts** screen will appear.

Only the **Date Expired** and the information in the **Comments** textbox can be edited. The **Date Expired** can ONLY be edited if it was not previously entered.

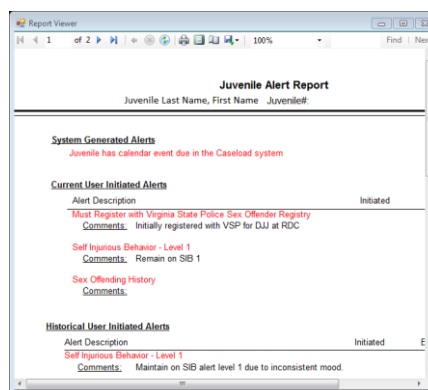

Information in the **Comments** textbox must be as detailed as possible.

**Delete** should be used for removing an incorrect alert entry ONLY. If the alert is no longer valid, edit the alert and add the **Date Expired**.

- The **Last Changed by** field will auto-populate with the name of the user who made the changes and the **Date Last Changed** field will auto-populate with the date the most recent changes were made.
- Add New Button**
  - (i) Click the **Add New** button, and the fields on the bottom-half of the screen will become accessible, select the (ii) **Alerts Category** and (iii) **Alert Description** from the drop-down menus, and (iv) select the **Date Initiated** from the calendar screen. You do not need to select the **Date Expired** at this time. (v) Type any information about the alert in the **Comments** textbox and (vi) click the **Save** button.
- Edit Button**
  - (i) Select an alert, and the row will be highlighted in **blue**, (ii) click the **Edit** button, (iii) edit the information, and (iv) click the **Save** button when the edits are completed.
- Delete Button**
  - (i) Select an alert, and the row will be highlighted in **blue**, and (ii) click the **Delete** button.
- Close Button**
  - Click the **Close** button and you will return to the **Juvenile Information** screen.

2. **Print Alerts** Button

- Click the **Print Alerts** button and the **Report Viewer** screen will appear. The **Juvenile Alert Report** will be displayed. The report consists of all the alert information related to the specific juvenile.

This tab lists the juvenile's that have been associated with the specific adult.

The screenshot displays the 'Associated Juveniles' tab in the BADGE system. The top section contains 'Adult Information' with input fields for Adult Number, SSN, Adult Name, Date of Birth, Age (Years - Months), Race / Ethnicity, Is Deceased?, and Gender. To the right are buttons for 'Edit Adult Info' and 'Print Face Sheet'. Below this is a tabbed interface with four tabs: 'Adult Information', 'Address / Phones / Email', 'Employment Information', and 'Associated Juveniles'. The 'Associated Juveniles' tab is active, showing a table titled 'Juveniles Associated with Adult'. The table has four columns: 'Relation', 'Juvenile's Name', 'Juvenile #', and 'DOB'. Below the table are input fields for 'Address', 'City/Town', and 'State'. A blue arrow points to the 'Associated Juveniles' tab.
